I hereby consent to include in my gross income, as now or hereafter provided in the federal income tax laws, the stated dollar amount of each written notice of allocation which I receive from **Consumers Coop Oil Company** with respect to my patronage occurring during the current and all subsequent taxable years of this cooperative. This consent shall be revocable by me at any time if in writing.

Certification – Under penalties of perjury, I certify that (1) the number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and (2) I am not subject to backup withholding because: (a) I am exempt form backup withholding, or (b) I have not been notified by the internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding.

SUBJECT: CREDIT POLICY & ACCOUNT PROCEDURE

As a result of the present Consumer Act, we must have your signature on our Credit Plan or credit cannot be extended. Please read the credit plan, sign it, and return as soon as possible.

The Board of Directors unanimously adopted this plan and your General Manager and Credit Manager have been instructed to enforce it. Failure to sign and return the Credit Plan will automatically classify your account **C.O.D.**

A NEW CASH ONLY ACCOUNT - can be established by the completion of a CONSENT CARD whereby PAYMENT must be made at the TIME OF PURCHASE.

A NEW CHARGE ACCOUNT - can be established by the completion of a CONSENT CARD and CREDIT APPLICATION. The Company will check credit application reference information as promptly as possible. Applicants will be notified of the results of their application as soon as credit determination is made. During this period between application and notification, all purchases must be on a CASH BASIS. When credit is approved, any credit limitations will be a part of the notification. All new accounts may or may not have full open account privileges.

CREDIT POLICY - open account charges made in any one month are DUE AND PAYABLE IN FULL upon receipt of your statement received in the following month. If still not paid on or before the last day of the month, your account will be considered delinquent and will be assessed a 1½% per month delinquency charge (equivalent to 18% per year) on the unpaid portion. Once an account becomes delinquent 60 days, all sales will be made on a CASH ONLY BASIS. This limitation will continue until the account is paid in full. Accounts that have been frequently delinquent and CASH ONLY must request their open account privileges be reinstated. These are not revolving credit transactions but merely convenience credit transactions and therefore payment of a delinquency charge is not an alternative to payment in full.

The Company may make discontinuance of credit at any time your account becomes delinquent. When credit is discontinued, all future purchases must be on a CASH ONLY BASIS, and satisfactory arrangements for payment of the account balance must be made with the CREDIT MANAGER before further credit may be extended. Upon failure to make satisfactory payments as agreed, the Company may take any and all action it considers necessary to collect the unpaid balance of your account, plus service charges accumulated, collection costs (minimum \$25.00 fee) and any other costs to the Company as a result of its actions to collect said account. Consumers Co-op Oil Company reserves the rights to further restrict or limit credit privileges when it deems necessary.
