

## A Message from the Convenience Store Team

Dear Valued Customer,

Summer is one of the busiest and most exciting seasons at Consumers Cooperative, and our convenience store teams are ready to help make your days easier, more convenient, and more enjoyable.

Whether you are fueling up for a road trip, heading out on the lake, grabbing lunch on the go, stocking up for a cookout, or stopping in for your everyday essentials, our stores are here to serve you. We take pride in offering quality fuels, convenient food and beverage options, friendly service, and the items you need to keep your summer plans moving.

This month, we are highlighting two of our convenience store locations that are especially ready for the summer season.

### Charlie's Lakeside — Merrimac, WI

Charlie's Lakeside is a great stop for customers, travelers, boaters, campers, and anyone enjoying the Merrimac area. Conveniently located for summer adventures, Charlie's offers many of the essentials you need before heading to the lake, campground, or backyard gathering.

Stop in for propane exchange, prepared food, homemade salads, grilling supplies, fishing and camping essentials, snacks, beverages, and quality fuel to power your day. Whether you are spending the weekend outdoors or simply passing through, Charlie's Lakeside is ready to help you stock up and get on your way.

### Ellsworth Cenex

Ellsworth Cenex is stocked and ready for your summer travel, meal, and fueling needs. Customers can enjoy a full hot food menu, including fried chicken and sides, along with fresh smoothie options from the Fresh Blends machine.
